

Knowing Your Story

A personal testimony:

- needs to be simple, concise and useable
- isn't boring or sterile
- is without jargon or "Christian-ese"
- use the name "Jesus"

Write your personal testimony:

- What does Jesus mean to you?
- What difference has he made in your life
- What do you believe that Jesus can do for someone else?
- How did you give your life to Christ?
- In your own words
- What is God doing in your life right now?

It's best to have a short (1-2 mins) and a longer (10 mins) version of your story. The person that you are sharing with may only be willing to listen for a minute or two. However after a minute or two they may say 'tell me some more ...'
