# A SONG IN EVERY SEASON

*An exploration of the Psalms and the Story of David*

## PRIMARY AIM

To explore the biblical basis of worshipping God in every season of life.

## SUBSIDIARY AIMS

- To explore the interrelationship between different parts of Scripture particularly as they relate to the story of David.
- To gain a deeper understanding into the biblical concept of worship and how it extends beyond music.
- To explore themes of prayer, praise, thanksgiving and repentance.
- To deepen our knowledge of the Old Testament.

## BACKGROUND INFORMATION

The book of Psalms is full of songs and poems that also relate directly into stories found elsewhere in the Bible. This sermon series is designed to follow on from the 1 Samuel series in 2024, as well as the focus on worship at our first Conference for the year.

Worship, including prayer, stands as a pivotal strategic focus within the St Hilary's Strategic Vision 2022-2025 document. This series is further designed to help congregants lean into this important area of our life with Jesus.
