# The Unstoppable Gospel: Acts 11 - 14

## PRIMARY AIM

To encourage us to witness Christ to those around us.

## SUB-AIMS

- To remind us of the importance of depending on the Holy Spirit in our witness to others and to encourage us that God's plan will not be stopped.
- To emphasise the importance of our Christian community for our witness.
- To remind us that God's salvation is for all people.

## BACKGROUND INFORMATION

During this term our church will be involved in Alpha Course and the Hope Food Drive, both significant ministries that outreach and witness Jesus to others. We will have two teaching series'. The first, Coworkers in Christ, will focus on five faithful women in the New Testament, to encourage both men and women within the Body of Christ. The second will cover chapters 11-14 in the Book of Acts to encourage us to be witnesses to the community around us. Through these two series' it is our hope to encourage us in our practices of Witness and Community.
